Purpose: The CCAR Recovery Coach

Academy© is an intensive training academy focusing on providing individuals with the skills need to guide, mentor and support anyone who would like to enter into or sustain long-term recovery from an addiction to alcohol or other drugs. The CCAR Recovery Coach Academy© prepares participants by helping them to actively listen, ask really good questions, and discover and manage their own issues.

A Recovery Coach is someone with personal experience and knowledge in recovery who assists others seeking to initi-
